

Jesus: God's Final Word

None of Us

Hebrews 10:26-39

Bridge/Context:

Remember these commands? (Hebrews 10:19-25)

"... let us draw near ..."

"Let us hold fast ... without wavering..."

"... let us stir one another to love and good works, not neglecting to meet together ..."

Do you see why they matter so much?

Is your view of God like this?

"fearful judgment"

"a fury of fire" that "consumes"

"Vengeance is mine. I will repay."

"the Lord will judge"

"It is a fearful thing to fall into the hands of the living God."

Who should fear this?

The persistent, unrepentant _____.

Note: The _____ cannot commit this sin. That's why the warning is here. To them.

To us.

This person ...

"_____ underfoot the Son of God"

"_____ the blood of the covenant"

"_____ the Spirit of Grace"

The result?

Why you can't ignore the warnings:

Too many have _____.

The _____ are _____.

We have a _____ to/for _____.

So, how do we do all we can to prevent apostasy from defining any of us?

Make sure that we are speaking and hearing the _____.

This means at least that we ...

Worship _____ regularly.

Elevate _____ over _____ and _____.

Be _____ with a few godly people you trust.

(People who will _____ you and if necessary, _____ you.)

_____ to God-given authority ... The _____. The _____. The _____.

Go beyond "_____" to "_____".

And always, always, always take the _____.

May this be so of us all:

We are not of those who shrink back and are destroyed, but of those who have faith and preserve their souls.
